Economic performance of the agriculture industry - Contributions to agricultural gross domestic product, by farm type, year ended March, 1991-2012

Title
Economic performance of the agriculture industry - Contributions to agricultural gross domestic product, by farm type, year ended March, 1991-2012

Publisher
New Zealand's Environment Reporting Series: The Ministry for the Environment and Statistics New Zealand

Description
Data on the economic performance of the agriculture industry describes agriculture's contribution to the New Zealand economy. It provides supporting information for the land, atmosphere and climate, and freshwater domains. This dataset relates to the "Economic performance of the agriculture industry" measure on the Environmental Indicators, Te taiao Aotearoa website.
